Attendance and Working Hours Policy

Policy ID: TH-OPS-004 | Version: 1.0 | Effective: 1 January 2026

Fictional company policy document created for the AI Handbook RAG project.

1. Standard Schedule

The standard schedule is Monday through Friday, 9:00 AM to 6:00 PM, with a one-hour lunch break.

2. Punctuality

Employees are expected to begin work on time. If an employee expects to be late, they should notify their manager as early as possible.

3. Attendance Recording

Employees must record attendance using the company's approved attendance system. Remote employees must follow the same attendance requirements unless an exception is approved.

4. Breaks

Employees may take reasonable short breaks during the workday in addition to the standard lunch break, provided work responsibilities are maintained.

5. Absence

Unexpected absence should be reported to the manager as soon as reasonably possible and, where appropriate, to HR.

6. Repeated Attendance Issues

Repeated unexplained lateness, absence, or failure to follow attendance procedures may result in a formal review.

7. Flexible Schedules

Alternative schedules may be approved for specific teams or employees based on operational needs. Approved flexible schedules must be documented.

8. Overtime

Employees should not work overtime without prior manager approval unless an emergency requires immediate action.
